DIRECTOR'S COLUMN

Busy times here at WAC!!

May marks my 2 year anniversary being at the Center, and I have loved every minute of it. The Center and each and every member means the world to me. It is, and has been my ultimate goal to do the very best by the Center that I can. I want to thank all those that have faithfully supported the Center since long before I became involved and all those that have come forward since. Without volunteers, donors, supporters, enthusiast and activist the Center would not survive. Thank you from the bottom of my heart.

Most rewarding to me being your Director has been meeting the dedicated individuals giving so much of themselves to keep the Center as a place for area adults to socialize, keep aware of current trends, learn, laugh, get moving, keep their spirits up and have somewhere to "hang out" in addition to the Center being available for the community. Thanks to all of you.

We have some great things coming up with one being the Spring Bazaar for the members at Deming Park on May 19th. Please take part, be active here at the Center, expand your involvement, meet new people, bring a friend and try new things. All of our activities and events will also attract people unaware of our great Center.
